SYMBOLIC WEDDING AND
RENEWAL OF VOWS PACKAGE

PUBLIC

1ST NOVEMBER 2021 - 31ST JANUARY 2023

The background of the entire page is a soft, white, textured surface, possibly a piece of paper or fabric, scattered with numerous pink roses and rose petals. Some roses are in full bloom, while others are buds or single petals. The roses are in various shades of pink, from light blush to a deeper coral. The petals are scattered across the white surface, some near the roses and others further away. The overall aesthetic is romantic and elegant.

I Do!

Beach ceremonies are all about getting away from it all. Boho brides rejoice: with a stretch of desert beach to call your own and ceremonies steeped in island traditions, LUX* South Ari Atoll knows how to craft a day you'll never forget. Framed by gleaming turquoise waters and powder-soft sands, the setting is spectacular. Walk down the aisle to the sound of bodu beru drummers: the groom and bride are welcomed with a shower of flower petals for a colorful and fragrant future together. Blessed by a celebrant with a few quiet words, the couple blends two different types of sand in a vase – a symbol of their separate lives merging into one. Vows are placed in a coconut and thrown into the ocean, where the newlyweds' secret promises will be kept forever. Together, they plant a baby palm tree that will blossom and bloom as their love continues to grow – a token of a memorable day on a paradise island.
